TERMS & CONDITIONS

Application of the Terms of Contract to Exhibit (TCE) in case of cancellation or postponement of the Event due to the SARS-CoV-2 (or other disease) pandemic:

- In case of cancellation or postponement of the Event for force majeure: no refund (see Article 15.2 of the TCE). A cancellation or postponement of the Event because SARS-CoV-2 (or other disease) makes the Event, as and when planned normally, practically and reasonably impossible would be considered a force majeure falling under Article 15.2 of the TCE.

- In case the Event is not cancelled, but an Exhibitor cannot participate because of force majeure in its country: no refund after 15 03 2025 (Article 4.1 of the TCE).

- In case of postponement of the Event for a valid cause: no refund (Article 12.1 of the TCE). A decision by the Host City to postpone the Event to a later year would be considered a valid cause and lead to no refund.

- In case of abandonment of the Event for other reasons than force majeure or in case of a radically different event: full refund. However, notwithstanding the above, and in a spirit of partnership, the Organiser and the Exhibitor accept that 70% (but only 70%) of the space booking fee shall be refunded in case the Event cannot take place as scheduled and has to be cancelled (rather than postponed in the same location) because of SARS-CoV-2 (or other disease) or because of governmental restrictions in place in Antalya or because of the local authorities' decision not to Host the event, provided that (and only provided that) the full amount of the space booking fee was timely paid. The purpose of the non-refunded amount is only to cover costs incurred by the Organiser for the preparation and running of the Event including commitments in place.
